Start by praying and asking for God's help as you seek to grow as authentic followers of Jesus.

DISCUSSION QUESTIONS

In the month of June, we are hosting "watch parties" where we gather to participate in church online throughout the city. For the purpose of these gatherings, we are providing a few focused questions to spark conversation rather than our normal discussion notes, which tend to be longer.

1. In our city, what are some common broken cisterns that people run to in order to try and fulfill their lives? Where are we looking for comfort, peace, security, excitement, joy, etc. to fill a void only God can fill?
2. How can healthy spiritual friendships help us move beyond the "masks" we wear to more honest conversations about our struggles?
3. In this passage, Jesus pushed past surface talk to speak about the woman's relational failures. Why is honesty about our struggles necessary for us if we are going to experience real spiritual freedom and joy?
