

## **SERMON NOTES**

**APRIL 4, 2021**

*Start by praying and asking for God's help as you seek to grow as authentic followers of Jesus.*

### **LISTENING TO GOD'S WORD**

1. Read Acts 2:14-41. Make a few observations. What is the scenario? What is Peter's message about? What results from his sermon?
2. Quickly determine the following: What Bible passages are quoted in the sermon? What Old Testament people are mentioned in the sermon?
3. How does this reinforce the importance of David and the Davidic covenant (which we learned about in our last sermon series) to your understanding of the Bible?
4. In verses 22-24, what does Peter emphasize about Jesus? What stands out to you from this text or from our Easter sermon?

### **LIVING IT OUT**

5. In our Easter sermon, we were asked to personally consider the question: What does Jesus' resurrection mean to you? Have you ever really thought about this before? Why or why not?
6. Scan over the "What Jesus' Resurrection Means for You" handout, and discuss the following questions:
  - What is one category that seemed new to you? Maybe it is something you learned that you didn't know, or a new way of thinking about some biblical truth.
  - What is one specific bullet point (or two) that grabbed your focus? Maybe an idea that stretched your thinking or something that stirred your heart?
  - When you consider all of these things together, how should these truths impact our lives?
